MUGA Grand Opening

Residents enjoyed an afternoon celebrating the opening of Saxilby's new Multi-Use Games Area (MUGA) on Friday 25 September.

Lincoln City FC Stars George Wickens and Mikkel Ladefoged joined us to officially open the brand new facility, as visitors took part in football and sports in the MUGA, and enjoyed entertainment, hot food, and drinks provided by Saxilby Sports Hub.

Local clubs and teams are now using the MUGA as we carry out a soft launch of our online booking system, with wider access coming soon when the electronic access system is fully installed.

Sign up here to be notified first: https://bit.ly/4htQ3ri

Speed Indicator Device for Saxilby

A new Speed Indicator Device (SID) has been installed at the entrance to the village, on Sturton Road. This new SID will help remind drivers of their speed and encourage safer driving as they enter the village towards Mill Lane.

The installation completes a community project identified in the Neighbourhood Development Plan Review, and comes after many years of resident engagement and requests for permanent speed reduction measures in the area. The purchase was supported by data from our Community Speed Watch Group, and paid for using Community Infrastructure Levy funds.

InPost Locker now open in Saxilby

Local residents are now able to send, collect, and return parcels using the new InPost locker at St Andrews Community Centre, Public Recreation Ground, William Street.

The new locker provides a convenient and environmentally friendly option for accessing delivery services within the village, creating less journeys for delivery drivers and creating increased access over the course of fewer journeys for residents to collect their parcels.

Saxilby Library Writers' Talk

Join us at Saxilby Library for the next Writers' talk on Friday 30th October at 2:30pm, where we are delighted to welcome Robert Pritchard of Today's Railways Magazine. Come along to enjoy stories of Roberts quest to visit Britains least used railway stations, and feel free to bring your questions - and stay afterwards for a homemade treat!

Tickets are available online (at https://bit.ly/4hfpG9L) or with cash at the door - £5 each or £8 for two.

West Burton Solar Project: Community Notice

We have been advised by the West Burton Solar Project team that testing and site investigation work is currently taking place across the proposed solar sites. This includes piling, borehole, and trial pit works, with some noise expected over the coming weeks.

The project team has advised that the results will help inform its final construction plans, with construction currently expected to begin in the coming months.

Any questions about the work should be directed to info@westburtonsolar.co.uk of 0808 169858.

Council Meeting Updates

Full Council (2 September)

Key decisions and updates included:

- Agreeing to apply for up to £25,000 in funding to support Active Zones at Westcroft Green Space
- Approval of reduced hire rates for unmanned room hires at St Andrews Community Centre
- Updates on community grants, including support for flood-affected properties and heat pump funding
- Confirmation of the adoption of the Reviewed Saxilby Neighbourhood Development Plan
- Thanks were given to everyone involved in making the recent Family Fun Day event a success.

The next Full Council meeting will take place on Wednesday 7 October as part of the council's scheduled meeting programme.

Planning and Development Committee (16 September)

Key decisions and updates included:

- Agreeing maintenance responsibilities with the Saxilby Waterfront Group, and plans to discuss how remaining funds should be spent
- Progress noted on the community mosaic project
- Update received on the Multi-Use Games Area (MUGA), including arrangements for the official opening
- LCC flood reports for Saxilby were noted
- Responses made to several location planning applications including West Burton Solar Project, and a residential application for an extension.

The next Planning and Development Committee meeting will take place on Wednesday 21 October as part of the council's scheduled meeting programme.

Finance and Risk Committee (16 September)

The scheduled meeting of the Finance and Risk Committee did not take place as the meeting was inquorate. Insufficient councillors were able to attend, with apologies received from a number of committee members.

The next Finance and Risk meeting will take place on 21 October as part of the Council's regularly scheduled meeting program.

Thank you to **Saxilby with Ingleby Good Neighbours Scheme (SIGNS),** who raised a fantastic **£152.50** at their MacMillan Coffee Morning at St Andrews Community Centre!
