

## **Planning and Development Committee August 2024**

### **Update on the former Bridge Inn site**

- 09/08/24 WLDC environmental health have been in touch. They have been on-site and have cleared all the waste, removed it, and cut down the foliage.
- The building has been boarded up, where windows have been damaged, and secured to prevent unauthorised access
- It has been noted that there is now graffiti on-site.

**Recommendations: To note the report.**
