Saxilby Community Speed Watch Scheme

Background

- Speeding is a common cause for concern around the parish, being raised in the Big Community Survey and by residents at council meetings.
- Setting up a community speed watch has facilitated and empowered residents to work with the police to address the issue in a tangible way.

Update

- Unfortunately, none of our new volunteers were available to attend Sturton on Stow's training evening.
 - A meeting has taken place to discuss how we can engage with the residents.
 - Arrangements are in hand to get some more sessions going, possibly in different areas in the village which have already been authorised. Once these are set up the new volunteers will be invited to attend.

Recommendations

- To note the update.
