Leasing of St Andrews Community Centre— Update

A survey regarding the proposed leasing of St Andrews Community Centre should now have been delivered, either by hand or by post, to all households within the parish.

If you have not received your paper, please contact the parish office on 01522 703912. Alternatively, the survey can be completed online via the link below:

<https://www.surveymonkey.com/r/YFMRMG6>

Additional paper copies of the survey are also available at Saxilby Library during opening hours.

The closing date for the community consultation is Sunday 3 November. Paper copies of the survey must be submitted to Saxilby Library by 1pm on Friday 1 November.

Consultation Process

Further background information regarding the lease process can be found on the parish council website. This includes background information on why a lease is required. Councillors will use the results of the community consultation along with other supporting documents to vote on whether to proceed, or not proceed, with a long-term formal lease for the community centre.
