Saxilby Community Speed Watch Scheme

Background

- Speeding is a common cause for concern around the parish, being raised in the Big Community Survey and by residents at council meetings.
- Setting up a community speed watch (CSW) has facilitated and empowered residents to work with the police to address the issue in a tangible way.

Update

- The Administration Officer has taken over co-ordination of the Community Speed Watch Scheme.
 - A session was planned to take place on 15 November, however on the day roadworks were in place on Mill Lane which prevented the session from taking place.
 - CSW have been contacted to arrange a training session in late Jan/early Feb 2025. New volunteers will be invited to attend and comms will be utilised to try and recruit new volunteers.
