

## **Saxilby with Ingleby Neighbourhood Plan Review Steering (Working) Group**

### **Update for Planning Committee**

**Wednesday 23 January 2025**

- The plan is currently being updated - feeding in changes based on the comments from the consultation period, reviewing mapping, scaling down the heritage assets and sending back to the conservation officer, and reviewing the format with new photographs being added into the plan.
- It will then be proof read.
- The final stage will be for the plan to go to Full Council for approval in March 2025 which might have to be at an extra-ordinary meeting.

### **Recommendations**

For Planning and Development Committee to note the update.
