- 1.6 metre steel post (50mm)

### About the Product

Breeze Post Mounted Lectern is ideal for use as an information point. The boards are available in 4 different sizes A3, A2, A1 and A0 landscape. The 40mm deep lockable frame is powder coated inside and out and has a magnetic backing for use with magnets. Supplied with single top hinged, self supporting door, glazed with 2mm thick polycarbonate with security Allen key. The board is mounted onto 60mm square posts that are supplied as standard in black. They can be powder coated to match the board or a different colour at additional cost.

### Frame Colours

There is a wide range of RAL colours available which include black RAL 9005, white RAL 9003, silver RAL 9006, green RAL 6006, dark blue RAL 5002, mid blue RAL 5005, maroon RAL 3004, mid red RAL 3003

### Delivery

Delivery normally 15 working days. Please call if your order is urgent.

### Also in the Range

Breeze external boards are also available wall, rail and post mounted as well as being personalised with a shaped header.
