

Saxilby with Ingleby Neighbourhood Plan Review Steering (Working) Group

Update for Planning Committee

Wednesday 19 March 2025

The Neighbourhood Plan is ready for formatting after being proofread. The next step is for the formatting to be completed and approved by the group. The timeline of the next steps are:

- Content and format of the reviewed NDP plan finalised and approved by the group (March/early April 2025)
- The Revised NDP and associated documents will be ready for approval for the next Parish Council Planning Committee (16 April 2025). The plan will then go to Full Council ready for approval and submission to WLDC.

Please note that the plan will be sent out at least one week prior to allow committee members to read the plan.

- Saxilby with Ingleby Parish Council will submit the Plan to WLDC (Regulation 15). Please note that at this point it begins to add weight to planning applications.
- WLDC will undertake Regulation 16 consultation
- WLDC will organise an examination by an independent inspector
- WLDC will organise a referendum for the village to vote for the plan to be adopted

Recommendations
