

Update on the Saxilby with Ingleby Speed Watch Planning and Development Committee

June 2025

Report by: Administration Officer

Power/duty which decision falls under:

Local Government and Rating Act 1997 s31 - A parish council or community council may, for the detection or prevention of crime in their area - (a) install and maintain any equipment, (b) establish and maintain any scheme, or (c) assist others to install and maintain any equipment or to establish and maintain any scheme.

Public Sector Equality Duty (*Consider or think about how policies or decisions affect people who are protected under the Equality Act*)

Involvement in the scheme is open to all and volunteers would be supported to undertake the role.

Report to: Planning and Development Committee

Saxilby Community Speed Watch Scheme

Background

- Speeding is a common cause for concern around the parish, being raised in the Big Community Survey and by residents at council meetings.
- Setting up a community speed watch (CSW) has facilitated and empowered residents to work with the police to address the issue in a tangible way.

Update

- We are continuing to try and locate the mobile speed indicator that was purchased to be shared between local parishes. We have contacted Burton Parish Council, the Community Speed Watch Co-ordinator, the Gainsborough office and Lincolnshire Police.
- Training for new volunteers is scheduled for Wednesday 25 June at 6pm, at St Andrews Community Centre. Volunteers have been advised, and comms will be utilised (social media) to advertise for further volunteers. The training date was also published in June's Foss Focus. Neighbouring parish councils will also be advised in case of having staff and/or volunteers who require training. The training is open to everyone who is interested in volunteering for the scheme, including councillors.

Recommendations

- To note the update.
