Grants

Do you need funding for a project that supports early years and children?

Tesco Stronger Starts is open to all schools, registered charities and not-for-profit organisations that support children and young people. You can apply for a Tesco Stronger Starts grant of up to £1,500 to support your activities.

Here are some of the eligible projects you can apply for:

- Supporting a local youth sports club to purchase equipment
- Projects that supports a youth choir
- Emotional and mental health support for children
- Buying equipment for outdoor or indoor activities
- Addressing holiday hunger amongst children outside of school time

By helping children thrive in their early years, we can ensure they build a solid foundation for life. We believe this will help make communities stronger too.
