

Agenda item 14 - Approve additional councillors for committees

The terms of reference approved at July extra-ordinary full council increased the maximum of councillors that can be appointed to a committee from seven to eight.

Where there are more nominations for committee membership than seats available it is advisable for councillor's skills and experience to be taken into consideration initially, with a ballot to take place if required. (under Standing order 10L).

Current committee membership:

As of 23 June 2025
