<sup>1</sup>Risk areas to consider - strategic/operational, likelihood/impact, add to risk register? Any contingency planning needed?

## **REPORT**

The Family Fun Day 2025 stall organised by the Parish Council raised a small amount of funds to support community projects. Committee is asked to consider and agree how these funds should be allocated.

Current key projects that funding is being raised for are:

1. Westcroft Green Space Project
2. Saxilby and District Multi-Use Games Area

It is proposed that committee approves the allocation of funds raised at the Family Fun Day 2025 to Westcroft Green Space to support community facilities and enhancements, in-line with Council objectives, and considerations for biodiversity and carbon reduction.

## **RECOMMENDATION(S):**

The funds raised of £22.90 are allocated to Westcroft Greenspace Ring Fenced Fund.
