

## **Saxilby Waterfront Working Group**

### **Agree Saxilby Waterfront Working Group actions [committee deferral – time dependent actions]**

Extract from Planning and Development Committee Update On Wednesday 17 September 2025:

#### **Grants and Fund Raising:**

##### **Cake Bake**

A Halloween themed cake/bake sale is proposed. The group is currently looking at a venue and date. The date will be confirmed based on the availability of a suitable venue. The event aims to bring the community together in a fun and seasonal way while raising funds to support ongoing enhancement of the waterfront area

#### **Volunteer Day Audit of Tools**

##### **Excess Tools**

The audit of tools for the volunteer days has been completed. It shows some excess tools and recommends new tools needed for next year. It is proposed that excess tools can be collected by members of the community for a suggested donation at the next volunteer day. This is in-line with the council's objectives to support resident wellbeing and foster public participation and engagement.

---

### **Recommendations:**

1. Agree a Halloween-themed cake and bake fundraising sale for heritage lighting project
2. Agree that members of the community can have old excess tools, with a suggested donation towards the heritage lighting project, at the next volunteer day

Note: Other recommendations on the paper which went to planning and development committee, which are not time dependent, will go back to the Planning and Development Committee in October.
