Protect and enhance our green spaces and street scene

Our grounds team will be continuing work on Westcroft Green, completing hedge maintenance, and removing and replacing sections that are encroaching onto the green space, and planting native hedging.

Preserve and enhance heritage assets, environmental assets and wildlife

The Saxilby Waterfront Working Group continue to meet on the first Saturday of each month, keeping the Waterfront and Bridge Street Conservation Area tidy. We are delighted to have seen many new faces join us this year to continue maintaining the area.

Maintain and improve community facilities and amenities

We're supporting *Against Breast Cancer* by hosting a bra recycling bank at Saxilby Library (in St Andrews Community Centre). This scheme reduces waste and raises funds for breast cancer research. Drop off your unwanted bras and help make a difference!

Improving the wellbeing of residents:

Saxilby Family Fun Day

Need a quiet space to study or revise, to access the internet, or borrow books? Our volunteers look forward to welcoming you!

Don't miss: Saxilby Summer Storytimes for 4-6 year olds!

Outdoor Lease Signed

A 25 year lease has been signed by the council to manage and maintain the play area, wheeled (skate) park, and Multi-Use Games Area (MUGA) from Saxilby Public Recreation Ground. This paves the way for securing the remaining funding for a replacement MUGA.

Foster public participation and engagement:

To support residents in sharing their comments and discussing local matters, a NEW Councillor Meet and Greet Session is now held one hour before each full council meeting - usually from 6pm on the first Wednesday of the month in the Function Room at St Andrews Community Centre.

Please check monthly agendas on parish noticeboards or online to confirm.

Councillors remain available each month at the monthly coffee morning in the Village Hall.

Neighbourhood Development Plan Consultation: Have Your Say!

West Lindsey District Council is consulting on the updated Saxilby with Ingleby Neighbourhood Plan, which guides future development in the parish.

The consultation is open until **22 August 2025** - visit www.west-lindsey.gov.uk/neighbourhoodplans to view the plan and submit your comments.

This is your chance to shape the future of our community!
