Protect and enhance our green spaces and street scene

Westcroft Green Space

We will be starting public consultation on what you would like to see on Westcroft Green Space.. Currently there is £15,000 of ring-fenced funds, which will be used to apply for grant (match) funding. This will enable us to deliver your vision for the area.

Preserve and enhance heritage assets, environmental assets and wildlife

Saxilby Waterfront Working Group

- Wording for the new information boards along the canal is to go to designers.
- Funding is being applied for street lighting to be changed to heritage style lighting. These are some final elements to complete this important heritage project.

Foster public participation

NDP

The latest public consultation on the Neighbourhood Development Plan has closed. This will now go to an independent examiner, to ensure the NDP meets the legal requirements. The parish referendum will follow.
