01/06/2026	August monthly session			Concern raised about the state of the pathway between Westcroft and Church Road	Saunders	Was able to confirm the response I received from FixMyStreet in February - the pathway will be slurry-sealed when they are next in the area.	no further action from Parish Council	If nothing has been done by October, I will report on FixMyStreet again to chase up when it will be actioned.	01/08/2026

Saturday 1st August - Village Hall

Present - Cllr Saunders

Apologies from Cllr Brockway

A quiet session for both the coffee morning and the council, this was not surprising as August is usually a quiet month. Not much to report, I had residents come over for a chat and one query which I was able to respond to.
