

Saxilby Family Fun Day 2027: Standard Pitch Categories and Pricing Overview

Saturday 21 August 2027 | 12pm – 5pm [TBC] | Saxilby Public Recreation Ground
[TBC]

Saxilby Family Fun Day 2027 welcomes community groups, charities, local businesses, independent traders, and commercial organisations. Our pitch options are designed to accommodate a wide range of participants and activities.

This guide summarises the available standard pitch categories, prices, and discounts for 2027. Full participation terms and conditions, including health and safety, insurance, and operational requirements, are provided separately.

1. Standard Pitches

Pitch size: 4 metres wide x 4 metres deep.

Prices below are **per pitch**. Anyone requiring additional space must book multiple pitches, subject to availability.

Pitch type	Who's it for	Examples	Price per pitch
Community Groups and Charities	Voluntary groups and not-for-profit organisations whose primary purpose is community benefit rather than commercial gain.	Parish groups, PTAs, youth organisations, sports clubs and charity fundraising stalls. May include small-scale fundraising activities.	£15
Local Traders, Makers, and Social Enterprises	Independent businesses and individuals selling their own products or services, particularly those operating on a small scale.	Crafters, artists, handmade goods, small service providers, and ethical or social enterprises. Locally operated franchises offering hands-on activities may also qualify.	£30
Commercial and Promotional Businesses	Businesses attending primarily for commercial promotion, customer recruitment or sales, including larger brands and structured sales operations.	Multi-level marketing representatives, national retail brands, franchise operators, businesses selling third-party or mass produced goods, and brand-led promotional stalls.	£60

The Organisers will review applications and confirm the appropriate category where an activity does not clearly fit one category.

2. Discounts for 2027

We are offering two discounts to encourage returning participants and increase involvement from organisations based within Saxilby with Ingleby.

2026 feedback discount – 10%

A 10% discount on the pitch fee is available to participants who completed the feedback form following Saxilby Family Fun Day 2026. Eligibility will be checked against the feedback responses received.

Saxilby-based discount – 20%

A 20% discount on the pitch fee is available to eligible groups and businesses genuinely based within Saxilby with Ingleby parish.

This discount is available across all three pitch categories, including commercial and promotional businesses. Eligibility is based on the participant's local presence, not their size, brand, or commercial category.

Who may qualify?

- Community groups and organisations based within Saxilby with Ingleby parish
- Independent businesses operating from premises within the parish, including shops, offices, workshops, and other established business premises
- Larger businesses and commercial organisations with a genuine, established operating base within the parish

Simply serving customers in Saxilby with Ingleby, attending the event, or targeting local residents does not, by itself, qualify a business for the discount. The Organisers may ask for information to confirm eligibility.

How discounts are applied

Only one discount can be applied to a booking. Where a participant qualifies for both discounts, the higher discount – the 20% Saxilby-based discount – will apply.

Discounts apply to the pitch fee only. All discounts are subject to confirmation by the Organisers.

Pitch type	Standard Price	2026 Feedback Discount applied (10%)	Saxilby-based Discount applied (20%)
Community Groups and Charities	£15	£13.50	£12
Local Traders, Makers, and Social Enterprises	£30	£27	£24
Commercial and Promotional Businesses	£60	£54	£48

3. Food and drink vendors

Any stall primarily selling food or drink for consumption at the event, including cakes, cupcakes, brownies, and other baked goods, will be designated as a 'Food and Drink Vendor' rather than a standard pitch.

Food and Drink Vendor fees and any applicable discounts will be confirmed in the separate food vendor pricing information. All food vendors must meet the relevant food safety, insurance, and documentation requirements set out in the participation terms and conditions.

Community and charity stalls may include a small number of baked goods as part of a wider fundraising activity, subject to the Organisers' approval and applicable food safety requirements.

4. Important information

- All bookings are subject to approval by the Organisers.
- Pitch allocation and category eligibility are determined by the Organisers.
- Additional space must be booked in advance and cannot be guaranteed on the day.
- All participants must comply with the event's participation terms and conditions.

- Discounts must be requested when applying and are subject to eligibility checks.
