November Councillor Meet & Greet Session held at Saxilby Village Hall on Saturday 7th November.

Present - Cllr Saunders (Parish Council)

Cllr Brockway arrived briefly towards the end of the session as she was at the Remembrance Day Service.

I had a few residents come to the table, but they wanted to speak to Cllr Brockway rather than the Parish Council, most of the issues were ongoing ones that Cllr Brockway is already aware of. I have passed on all the information, and the Parish Council only need to note the update.

It is worth noting that as this year has progressed, the few issues and concerns that get raised are no longer directed to the Parish Council, they are more for Cllr Brockway. Usually there is now either nothing to report, or just items to note but no need for us to action further.
