Central Lincolnshire Local Plan Scoping Consultation

Dear Parish Clerk / Town Clerk,

The Central Lincolnshire Local Plans Team is starting the first stage of consultation on a new Central Lincolnshire Local Plan, called the Scoping Consultation.

The Government requires local plans to be kept up to date. This consultation is your opportunity to tell us what issues and topics you think the new Local Plan should address and how it should be prepared.

You can view the consultation documents online on the Central Lincolnshire website and respond through a series of online surveys covering different topics. You can comment on all parts of the consultation, or only those topics that interest you.

Please submit your response through the online surveys wherever possible. However, if you would prefer to prepare your response offline first, downloadable versions of the surveys are available on the web link above.

Printed copies of the consultation documents will be available, during normal opening hours, at the main reception areas of:

- City of Lincoln Council
- North Kesteven District Council; and
- West Lindsey District Council

Printed copies will also be made available at the built libraries across the area during normal opening hours.

The consultation runs for six weeks from **Thursday 22 October 2026 to 23:59 on Thursday 3 December 2026**. Please send us your response by this date, as late submissions may not be accepted.

For information about how we use your personal data, please see the Central Lincolnshire Privacy Policy Notice.

In addition to completing the surveys, we would be grateful if you could help raise awareness of the consultation among residents, businesses and community groups in your parish. Your Council has an important role in engaging local communities through established communication channels such as mailing lists, newsletters, websites and social media.

To assist with this, we have a poster which can be displayed on parish noticeboards and shared electronically through your communication networks as appropriate:

If you have any questions, please contact the Central Lincolnshire Local Plans Team at talkplanning@central-lincs.org.uk.

The Local Plans Team looks forward to receiving your comments and thanks you for your support in helping us reach and engage communities across Central Lincolnshire.

Yours faithfully,

Phil Hylton

Local Plans Manager

Please note, we use the mailing system to communicate important local plans updates. If you are identified as a "relevant consultation body" or "specific consultee" as defined in the Town and Country Planning (Local Plans) 2026 regulations paragraph 2, **please do not unsubscribe from the Local Plan Consultation Mailing** as you are required to be consulted.
