Motion for committee agendas and papers to be issued four clear working days prior to the meeting:

In accordance with Standing Order 9, I give written notice of my intention to move the following motion at the Full Council meeting of Saxilby with Ingleby Parish Council on Wednesday, 2 December 2026.

Motion from Cllr Wheatley:

Recognising that councillors may serve on multiple committees, that effective scrutiny and informed decision-making require adequate preparation time, and that the volume of agenda business can place considerable demands on councillors' time, this Council considers that a consistent minimum circulation period for committee agendas and supporting papers would support good governance, effective decision-making, and councillor wellbeing.

It is therefore proposed that:

1. Standing Order 27b be amended to "Agendas and background papers to committee meetings be issued a minimum of four clear days before the meeting.

2. That any substantive supporting report or background paper not circulated within the timeframe specified in Standing Order 27b shall be treated as a late paper and shall be deferred to the next ordinary meeting unless committee formally resolve that the matter constitutes a genuine, urgency requiring immediate decision.
