

Saxilby with Ingleby Parish Council

Saxilby Mystery Group Bench Donation

Non-confidential

Report by: Clerk

Date: 28 February 2022

Report to: Full Council 03/2022

As per the update to Full Council in February by a member of the public, the Saxilby Mystery Group recently held a Burns Night event. They and the Saxilby Monday Craft Club (held at Oaklands) would like to make a donation to the Parish Council for purchase of a Queen's Platinum Jubilee Commemoration Bench with commemorative plaque, to replace the existing wooden bench outside Oaklands. It is intended that the bench then becomes a Parish Council asset.

Time constraints dictated that the bench needed to be ordered by 25th February in order to be available for delivery (and installation) prior to the jubilee weekend in June.

Authorisation to proceed was given by the Chair and Vice Chair in conjunction with the Clerk.

The funds (£1143¹) have been received and the bench is now on order. Removal of the old bench and installation of the new one have been scheduled in.

RECOMMENDATION(S):

- I. That Council ratifies this decision.**

¹ This covers the net price of the bench, fixings, commemorative plaque and delivery
