

Agenda item 13

Agree £150 for the Planting Budget for the Bridge Place Corner Hedge

There is £150 in the planting budget (£150 was donated towards planting in the burial ground which is in the misc. income budget, so although the budget is showing as used £150 is available).

Proposal

It is proposed to use the remaining budget to fund planting hedging whips on bridge place corner (a £175 cost), with the remaining to be covered by Bridge Street budget.
