

Council News

Her Majesty Queen Elizabeth II

Saxilby with Ingleby Parish Council, its members, officers, staff and the whole parish join with the nation in mourning the passing of our Gracious Sovereign Lady Queen Elizabeth.

Our Queen for seventy years and a servant of God and the nation, she has led our country with dignity, pride and calmness.

We offer the condolences of the parish council and the whole parish to His Majesty King Charles III and all the Royal family.

We pray our Queen will rest in peace and rise to Eternal Glory. God Save The King.

Saxilby and District Multi-Use Games Area (MUGA)

We continue to be on the hunt for a piece of land for the Saxilby and District MUGA. If you think you own a suitable piece of land please contact us.

Recreation Ground Joint Update

Since the previous edition of the Foss Focus, two joint meetings will have been held between council members and trustees of the recreation ground charity. The second meeting also included representatives of Saxilby Tennis Club. Following September's full council meeting it was agreed to extend the deadline for completion of the project to March 31 2023. In this intervening period, the community centre, facilities, and services will continue to operate as usual.

Saxilby Waterfront

Waterfront Festival Funding Total

We have raised the magnificent sum of £3,000 from the Waterfront Festival that was held during the Queens Jubilee weekend. This is an amazing total that exceeded our expectations. Thank you to everyone who supported and helped with the festival. This will go towards a new bus shelter for Queensway. We are exploring bespoke designs that reflect the Conservation Area and the Waterfront.

Waterfront artwork

We are making progress with the refurbishment of the mosaic. Janet Schooley, a mosaic artist from Nettleham is helping us with this project. Potential dates for the two-hour workshops, which will be held at the Mill Lane workshop are October, 10,17 and 31. The first task is to remove the old cement from the tiles follow the task of putting the mosaic back together, like a massive jigsaw! If you would

like to be involved with this project please contact the office at: admin@saxilbyparishcouncil.co.uk or on:01522 703912.

New tree seat for the eastern gateway

A new tree seat for Bridge Street/Queensway junction has been ordered from David Ogilvie Engineering Ltd. The bench will be funded by a family of a local resident and a donation from the Saxilby Mystery Group. We would like to thank the family and Saxilby Mystery Group for this generous gift. The bench should arrive by December.

If you would like to donate towards the Waterfront project, which relies on donations, fundraising, and grants, please contact the office:
