## Saxilby Speedwatch scheme

We are pleased to report that our Community Speed Watch scheme has started with a positive first public meeting.

The next stage of the project is the volunteer training by the Lincolnshire Road Safety Partnership.

The aim of the group is to make people aware of their speed and so reduce the problems with speeding we have around the village.

There is still time to register your interest. If you would like to be involved, please contact our Assistant Clerk, Zarina Belk on 01522 703912 or

[admin@saxilbyparishcouncil.co.uk](mailto:admin@saxilbyparishcouncil.co.uk)

For more information on please go to:

## 2012 Diamond Jubilee Mosaic Restoration project update

Thank you to the dedicated volunteers who came along to our restoration workshop and mosaic artist Janet Schooley.

All the tiles have now had all the old cement removed and they have all been washed and cleaned. The tiles have now been placed in secure, dry storage for the winter. Once spring arrives, the tiles will be mounted on a cement board which will then be framed in a metal frame.

## Mill Lane Changing Rooms

### Volunteer Morning: Saturday, 10 December, 9.30am onwards

We will be holding an open volunteer morning at the Mill Lane changing rooms.

Cleaning and painting the changing rooms is a first step towards making improvements to the facilities.

Residents are invited to come for an hour or more to work alongside volunteers, officers, and councillors.

If we can get some bodies together for a few hours we can make a big difference to this well used facility.

If you have any rollers, paint brushes, white paint, cleaning items etc please bring them... along. Please wear warm old clothing.

Supervised children welcome. Refreshments provided.

## Remembrance Service 2022

This year's parish Remembrance Service took place on Saturday, 12 November, at the village war memorial.

For those who were unable to attend the service in person, the whole service can be viewed here: [youtu.be/oBwdWV5cIFU](https://youtu.be/oBwdWV5cIFU)

## Recreation Ground Update

By the time this magazine comes out, the council and recreation ground trustees will have held joint meetings with various regular users, including the tennis, bowls, cricket and football clubs.

These meetings will explore how the hand back process may impact the clubs and how we can work together to minimise any disruption.

The council and trustees will have also held another joint meeting to keep actions moving along, with the council agreeing at the November Full Council meeting to request to lease the community centre from the charity including retaining the parish office there.

## New Councillors

The council is pleased to welcome three new councillors to the council - Cllr Peter Hewes, Cllr Elaine Meanwell, and Cllr Nicholas Waller, taking our total number of councillors up to 12.

Welcome to the council.

The council has two vacancies remaining. For more information on what being a councillor involves and to apply to become a councillor please go to:

<https://bit.ly/3yiXMQR>

Next May will also be election year.

**Merry Christmas and a Happy New Year from all of us at Saxilby with Ingleby Parish Council.**

## **Saxilby with Ingleby Neighbourhood Development Plan Update**

### **Can you help?**

The 2011 Localism Act introduced Neighbourhood Planning which has been an influential piece of legislation giving communities the power to shape their future.

In 2017, the Saxilby with Ingleby Neighbourhood Development Plan (NDP) was 'made', and became one of the most important documents in the parish council's history. It has been used since 2017 by West Lindsey District Council in their planning decisions, and by our own council planning committee to support planning consultee responses.

The plan was overseen by a steering group consisting of parish councillors and residents.

To ensure the plan was community led, a questionnaire was sent to every household, and several public consultation events were held. After two years the consultation concluded with a referendum which ratified the plan and allowed it to be 'made'.

The plan not only sets out where development will take place in the parish, but also protects our heritage, our environment, improving transport links and retaining the character of the area.

45 projects were listed in the plan to deliver the aspirations of the local community, all identified through the consultation undertaken in the production of the neighbourhood plan. **19 projects have now been completed with a further seven in the process of being completed.**

Five years on the NDP now needs updating and with the draft Lincolnshire Local Plan proposing 151 new dwellings for Saxilby, the community needs to have a say where this housing will go. We also need to refresh some of our policies such as biodiversity and climate change and reconsult with an ever-expanding parish.

We are looking for members of the community to help with updating the plan. No experience is necessary, and the group will be working alongside a planner who will be funded by Locality funding. If you are new to the village or a resident who has lived here a long time you are welcome to get involved. Please contact the parish office for further information: 01522 703912 or e-mail: [admin@saxilbyparishcouncil.co.uk](mailto:admin@saxilbyparishcouncil.co.uk)

# Saxilby Waterfront

---

## Lincolnshire Coop Community Champions

The Saxilby Waterfront Regeneration Project will be a Coop Community Champion in the Saxilby store from Sunday, 4 December 2022 through to Saturday, 4 March 2023. This means that every time someone uses their Dividend Card in the Saxilby store, the project will receive some funds. Being a Community Champion for this quarter is a big win for the project, with people doing their food shopping in the run up to Christmas and New Year. The working group would really appreciate your support in the coming months, so we'd encourage you all to shop at the Saxilby Coop and use your dividend card in the next few months.

**Merry Christmas and a Happy New Year from the Saxilby Waterfront Project Working Group!**

---

## MUGA UPDATE - HAVE YOUR SAY!

The Multi-Use Games Area (MUGA) Working Group met in November and things have moved along. The group is now looking to upgrade the mini-MUGA/basketball court on the recreation

ground, due to Sport England objecting to the original planned location on the recreation ground during the planning process and no alternative sites have come forward within the parish. This will enable the project to move ahead more quickly, with local clubs already using the area following volunteer efforts to upgrade the lighting to LED lighting for the area.

1. Do you support the proposed location? Yes / No
2. Do you have any further comments:
