

Saxilby Waterfront Festival Task and Finish Group
and
Saxilby Waterfront Working Group

Update for Full Council

Wednesday 1st February 2023

Saxilby Waterfront Festival Task and Finish Group

The first meeting to plan the festival met on 26th January 2023. The MUGA Working Group met in December 2022 and agreed to make the following recommendations to full council:

1. To update the project plan
2. To seek sponsorship to cover the costs of the festival.
3. To appoint a Health and Safety Officer (a resident) as part of the event project plan.
- 4.. To request third party permission to use the Fossey Canal and land the other side of the canal from CRT

Proposal: For full council to ratify the above recommendations

Saxilby Waterfront Working Group

Footbridge, ramp and steps

- The tenders are now out for the footbridge refurbishment.

LCC are going to repair the ramp and steps including painting the railings.

Public toilets: The project plan is now underway for the refurbishment of the public toilets looking at an environmental friendly design.

Memory branch:

- The branch is now ready, the names have been etched on each leaf. A site meeting will be held in the next few weeks to finalise the siting of the branch onto the flood wall.

Fund Raising

- As a Co-op Winter Community Champion we will be holding a 'Valentine' theme tombola in the Co-op store on Saturday 11th February. We are looking for volunteers to man the stall. Please give your support.
