Elections 2023 update

Following the closure of the nomination period in April, the parish council was informed by West Lindsey District Council that there would not be a parish council election this year. This was due to the number of people standing for election being less than the number

of seats to fill. 10 people stood for 14 seats and therefore they have been elected. This is two down from the previous term and is four less than the 14 required to constitute a 'full' council.

Graffiti issues

Over the past few weeks there have been multiple incidences of graffiti around the village, including on the wheeled park on the Recreation Ground and underneath the footbridge at the Waterfront.

Each incidence of graffiti has been reported to the police and logged as a crime and the graffiti is being removed.

If you have any information about the graffiti and who may have done it, please report it to your local policing team or on 101.

Neighbourhood Development Plan Update

Thursday, 30 March saw the first of a number of public consultations on the Neighbourhood Development Plan Update taking place at the Community Centre.

Over 80 residents attended the meeting

which was great to see.

The council is working with a planner to update the NDP who opened the meeting with a presentation about the plan itself, the update process and where the steering group is aiming to get to.

Following the presentation, the meeting was opened up for residents to ask questions, and give their views and opinions.

Thank you to all residents who attended the meeting and had their say on the plan, your feedback and views are vital to the update process.

A second public consultation event will take place in the summer and is likely to be held in the Village Hall. Please keep an eye on our noticeboards and social media sites for a date.

Saxilby Waterfront

Can you spare a few hours each month?

Have you a couple of hours to spare once a month?

Come and join us as a Waterfront Volunteer during the summer months keeping the Waterfront Conservation Area looking attractive.

We meet on the first Saturday in the month from 9.30 to 12md at the footbridge. No experience is required and there is a variety of tasks for everyone to do, from litter picking, sweeping leaves, weeding the planters to painting fencing.

Come along and meet new people while having some outdoor exercise and enjoy the tranquillity of working by the oldest canal in England. The Waterfront is really is a special area in the village and our only conservation area in the parish. Help us to look after it.
