

## **Update for Planning Committee**

**Wednesday 15 November 2023**

Good progress is being made this month to review the Neighbourhood Development Plan. Please note that the date of future meetings need to be rearranged so they fall before the planning committee.

10(i)

- A facilitator has been appointed to support the review of the plan.
- Terms of Reference is ready for committee approval as per Standing Orders ( 10 i)
- Design Code Team has sent a first draft design code for the group to review and comment. This draft contains sections 1 and 2. Section 1 contains general introductory information along with a brief policy analysis. Section 2 contains general place analysis.
- Housing Needs Assessment Team have been in touch and have started work on reviewing this supporting document
- The Neighbourhood Plan (2017) is being revised by our planner ready for its Regulation 14 public consultation. This includes the preparation of policies to support the community vision and objectives and a narrative to support this.
- Policy Leads are starting work to update key policies.

### **Recommendations**

For Planning Committee to note the update and the progress with the review of the NDP.
