## Non-Confidential

### Grounds Capital Expenditure

---

**Report to:** Full Council 23-12

**Report by:** Clerk

**Power/duty which decision falls under:** General Power of Competence, Localism Act 2011

**Which council objective(s) it falls under:**

- Operational

**Public Sector Equality Duty** (*Consider how policies/decisions affect those protected under the Equality Act*)

- N/A

**Consideration on carbon reduction:**

- N/A

**Consideration of risk management in relation to the proposal<sup>1</sup>**

- A risk assessment and method statement to be carried out prior to erection of the lean to
- The lean-to will reduce wastage of grounds items, providing protection from the elements

**Does the report consider any new activity? If 'Yes', has a risk assessment including risk management proposals for consideration been included for consideration and adoption by the council?** (*Financial Regulation 17b*)

Yes  No  N/A

---

<sup>1</sup>Risk areas to consider - strategic/operational, likelihood/impact, add to risk register?, any contingency planning needed?

The top grounds request for capital expenditure for 2023-24 was for a lean-to at their workshop.

This is to protect grounds consumables and items from the elements such as grit/salt and equipment to extend it's life.

Materials for the lean-to cost £367.

There is £1,726 remaining in the capital expenditure budget of £7,560.

**RECOMMENDATION(S):**

**That Full Council notes the report and agrees to use capital expenditure for the grounds lean-to expenditure.**
